REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

In the amendment filed December 4, 2008, claimed metal-organic compound preparation process is limited to a one step process. Since von Haken Spence et al. (US 6,355,744) only discloses a two step process for the preparation of the metal-organic compound as demonstrated in Synthesis 2 in col. 8, where a ligand salt is prepared first and then reacted with the transition metal compound to form the metal-organic compound, and does not teach or reasonably suggest a one step process of the instant claims, the instant claims are, therefore, deemed to be novel and nonobvious over the cited prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Caixia Lu whose telephone number is (571) 272-1106. The examiner can normally be reached on 9:00 a.m. to 5:30 p.m..

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, David Wu can be reached on (571) 272-1114. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
